

Student/Parent Handbook Addendum

Student Handbook Agenda Correction

The following correction was made to the student handbook agenda:

Behavior Improvement Classes: Students who earn more than 12 detentions or have a violation of the SCC related to fighting, bullying, harassment, gang activity, or drug use or distribution will be required to take behavior improvement classes that teach proper behavior in order to be promoted or to graduate. Typically each class will be a four week summer class or fifteen week after-school class. The student will also have to serve any detentions or suspensions days earned for violations in addition to taking the discipline class(es).

Clean Weeks: If a student has earned a behavior improvement class on account of detentions, a student is eligible for clean weeks. Clean weeks are a behavior improvement program that allows a student who completes any 5 consecutively attended school days and earns 3 or fewer demerits to remove one detention from his/her year-end cumulative total. The student must still serve all detentions earned. Clean weeks do not remove the earned behavior improvement class but may prevent or remove the necessity for a second class or repeating the grade level. Each campus has the discretion to determine exactly when their clean weeks program is to begin.
